

Arkansas Consolidated High School – AJATC Teacher Salary Scale

All teachers will be placed in scale based on provided information that will be verified by the Principal and Human Resources; the salary range for Arkansas Consolidated High School Teachers is between \$32,000 and \$67,293 per year and is based on education, certified experience and certifications.

Experience Scale Determinations:

Scale placement is determined by the last full year of certified experience. For example, a teacher with 2.7 years of experience will be placed in the “2 years of experience” category.

Education and Credential Scale Determinations:

For dual credential compensations, individuals must be regularly assigned and fully qualified to perform dual subject teaching.
